RISK STATEMENT

18. Sailing is by its nature an unpredictable sport and therefore involves an element of inherent risk, especially on the confined waters of the Marine Lake in extreme weather and during the hours of darkness. By taking part in the event, the Team Captain (who must be an adult capable of excising appropriate judgement) and each competitor agree and acknowledge that:

 - They are responsible for the safety of themselves, their crew and their other property whilst taking part in the event;
 - They are responsible to ensure that any young or less experienced sailors in their crew, particularly below the age of 18 years, are capable of sailing in the conditions prevailing at the time
 - They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
 - Their boat is in good order, equipped to sail in the event and in the conditions prevailing at the time;
 - Their team members are all fit to participate in the event and in the conditions prevailing at the time;
 - The provision of a race management team, patrol boats and other officials and volunteers by the organisers of the event in collaboration with competing clubs does not relieve teams of their own responsibilities;
 - The provision of patrol boat cover is limited to such assistance as can be practically provided in the circumstances;
 - It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event.
